Each class begins with injury prevention warm ups and tardiness can attribute to injuries.

**There is a 15 min grace period for dancer drop off/pick up. A fee will automatically be assessed to your account for exceeding this 15 min window.*

EVALUATIONS:

We will hold mid-year evaluations the week of December 16-19th to ensure that dancers' initial level placements are still appropriate. While we have a set evaluation week, student progress, attendance, and attitude is constantly being observed throughout the year and will be taken into account.

DANCER/PARENT CODE OF CONDUCT:

We at Dance Tech Studios continuously strive to provide a positive, "DTS family" atmosphere. We believe in a mutually respectful relationship amongst teachers, dancers, and parents. As such, we ask that parents respect the expertise, knowledge and decisions of the Dance Tech Faculty/Staff. Our job is to deliver the best training and overall experience for your dancer; please allow us to do so!

ABSENCES:

Absences resulting from illness, injury, or vacation are excused. Students may take any class as a make-up *within 30 days of the absence - no exceptions*. Choreo class absences may not be made up. When Concert pieces are being set and rehearsed, any unexcused absence could result in your dancer(s) being choreographed out of a section of the piece (this is at the instructor's discretion). If excessive absences have occurred for any reason, it is at the instructor's discretion whether the student may participate in the Concert performance.

- Concert fee/costume fees are non-refundable.
