The following are the guidelines we are required to abide by while operating our studio~

- **Dancers are to enter through the front door entrance of Dance Tech.** This will be a drop off arrangement only. Dancers are required to wait outside the door until a DTS employee brings them in 1 at a time. Parents/siblings are required to stay outside of the building.
- Dancers need to wear a mask/mouth nose cover while entering the building.
- Dancers are to use the hand sanitizer or their own upon entering the building.
- A DTS employee will take the dancer's temperature with a medical grade, non-contact infrared thermometer.
- Dancers need to bring a full, water bottle with their name clearly labeled.
- Dancers are required to put any belongings/bags/snacks in the individual cubbies located by the back door.
- No personal items, other than water bottles, may be brought into the individual dance rooms.
- Once in the dance room, dancers may remove their face coverings and place them against 1 designated wall in that particular room. Your dancer's dance room has been appropriately measured and taped off with social distancing regulations in place.
*** Masks need to be worn when leaving their dance room for any reason.
- We will be opening 1, single-stall restroom to ensure proper sanitation between each usage.
- All teachers and staff will be wearing face coverings in all areas of the studio except within the individual dance rooms. Teachers will follow the same protocol as their students.
- **Pick up/exiting the building will be from the back door entrance of the building- the door by the cubbies and kitchen.**
- **Each staff member and teacher at Dance Tech is committed to these safety precautions and take our responsibility seriously.**

We will have the studio phone with us at all times.
Please call with any questions or additional help needed.
