DTS runs auditions the same as a professional audition- dancers wear numbers and will never be asked to do anything solo- everything is in groups. **We ensure each audition experience is FUN, motivating and inspiring!!**

### How do I audition?

**\*\*We're doing our audition process differently this year!**

Dancers learn the audition dances from the videos uploaded to our YouTube channel. Each dance is taught slowly, easy to follow and learn, and includes the music for each combo. This gives dancers the ability to spend as much time as they need in learning the combo.

**Step 1- Go to Dance Tech Studios' Youtube channel- "Dance Tech Studios Park City"**

**Step 2- Learn the audition choreography from the video**

**Step 3- Print off & Fill out the "Company Dancer Audition form"**

**Step 4- Come to your audition day/time with your completed form & audition fee; arriving 20 min before your audition time for your audition photo and to receive your audition #.**
